

Step-by-step guide to sign up, post, and interact

1 Navigate to localhost:5173

2 Click this text field.

The screenshot shows a web interface for signing up. At the top, there's a header with the text "Explore new friends" on the left and "Sign up for a new Social Media" on the right. Below the header is a large orange rectangular area containing a sign-up form. The form has four text input fields, each with a label above it: "First Name", "Last Name", "User Name", and "Email". The "First Name" field is highlighted with a yellow circle, indicating it is the target for the next step. The background of the form area is a gradient of orange and red.

3 Type " **BACKSPACE** Mike"

4 Click this text field.

Sign up for a new Social Media Account

Password

5 Type "Mithcel"

6 Click this text field.

The image shows a registration form with a red-to-orange gradient background. The form contains the following elements:

- First Name**: A text input field containing the text "Mike".
- Last Name**: A text input field containing the text "Mithcel".
- User Name**: A text input field that is currently empty. An orange circle is centered over this field, indicating it is the target for the next action.
- Email**: An empty text input field.
- Password**: An empty text input field.
- Sign Up**: A red button located at the bottom of the form.

7 Type "mmike"

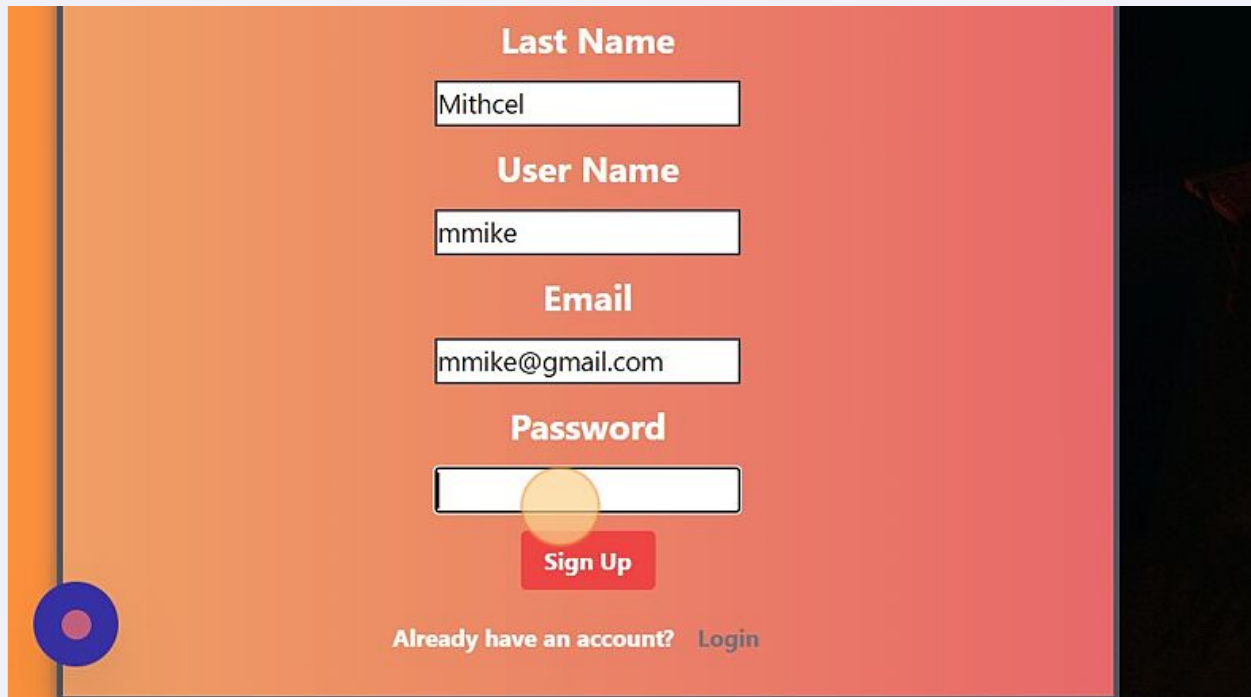

8 Click this email field.

The image shows a registration form with a light orange background. On the left, there is a vertical orange bar and a blue circular icon. On the right, there is a dark vertical bar. The form contains the following elements:

- Last Name**: A text input field containing "Mithcel".
- User Name**: A text input field containing "mmike".
- Email**: A text input field, which is highlighted with a yellow circle.
- Password**: A text input field.
- Sign Up**: A red button.
- Already have an account? Login**: A link.

9 Type "mmike@gmail.com"

10 Click this password field.

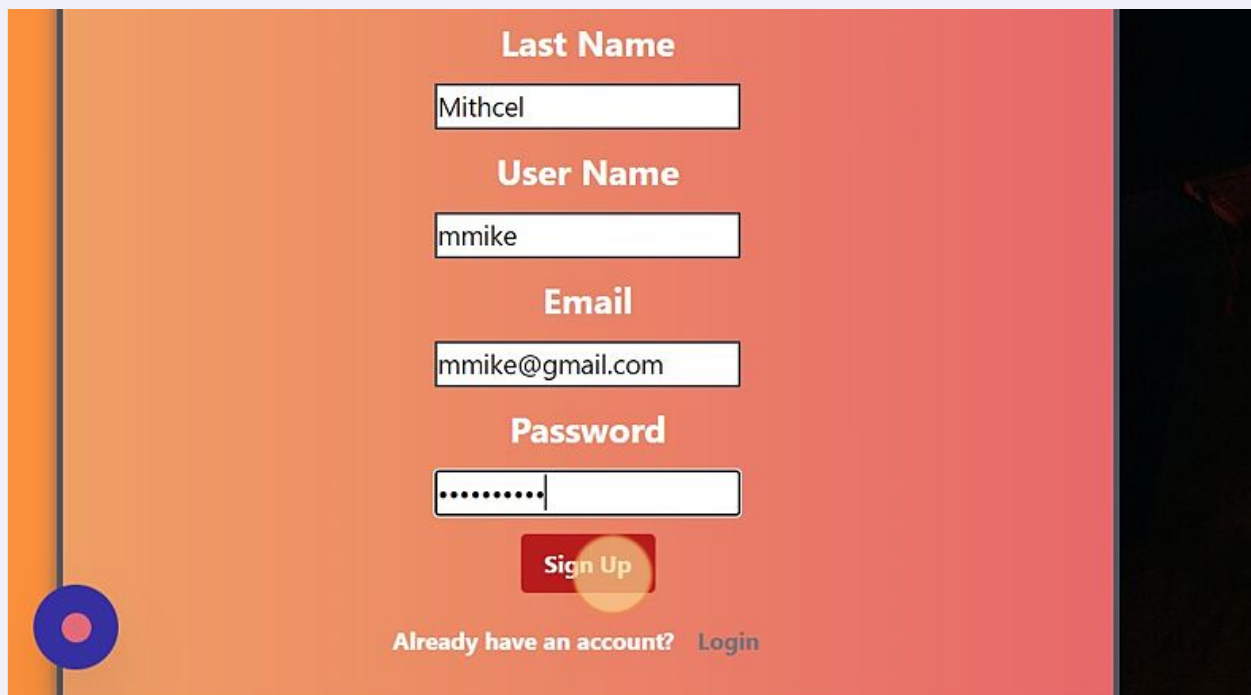

A screenshot of a sign-up form with a red-to-orange gradient background. The form contains the following fields and elements:

- Last Name**: Input field containing "Mithcel".
- User Name**: Input field containing "mmike".
- Email**: Input field containing "mmike@gmail.com".
- Password**: Input field that is currently empty. A yellow circular highlight is placed over the password field.
- Sign Up**: A red button located below the password field.
- Already have an account? Login**: Text at the bottom of the form.

A blue circular icon with a pink center is located in the bottom-left corner of the form area.

11 Click "Sign Up"

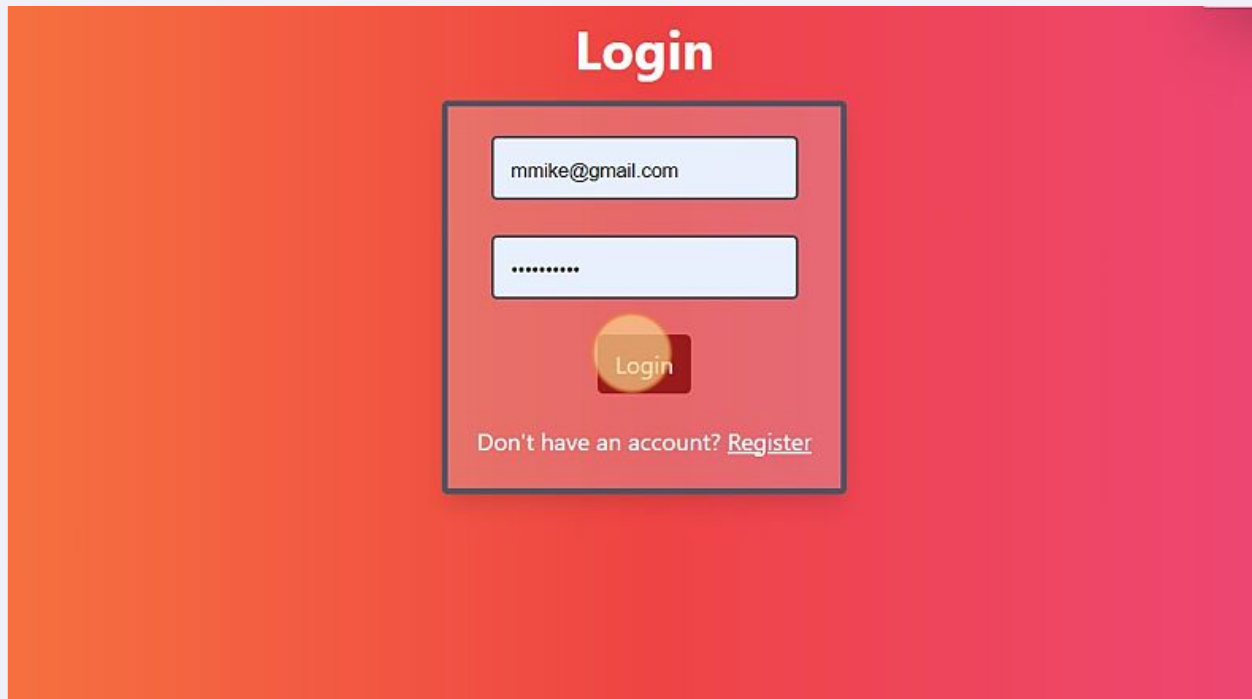

A screenshot of the same sign-up form as above, but with the following changes:

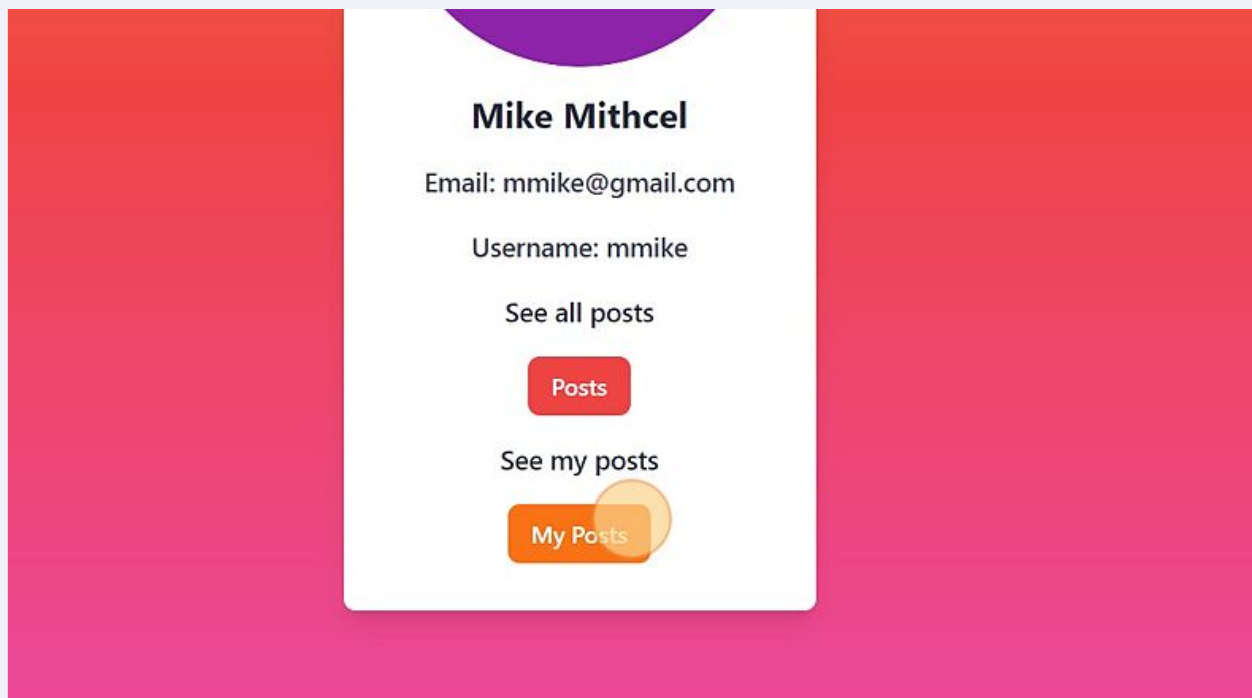

- The **Password** field now contains eight dots ".....".
- The **Sign Up** button is highlighted with a yellow circular highlight.

All other elements, including the input fields for Last Name, User Name, and Email, and the text at the bottom, remain the same as in the previous screenshot.

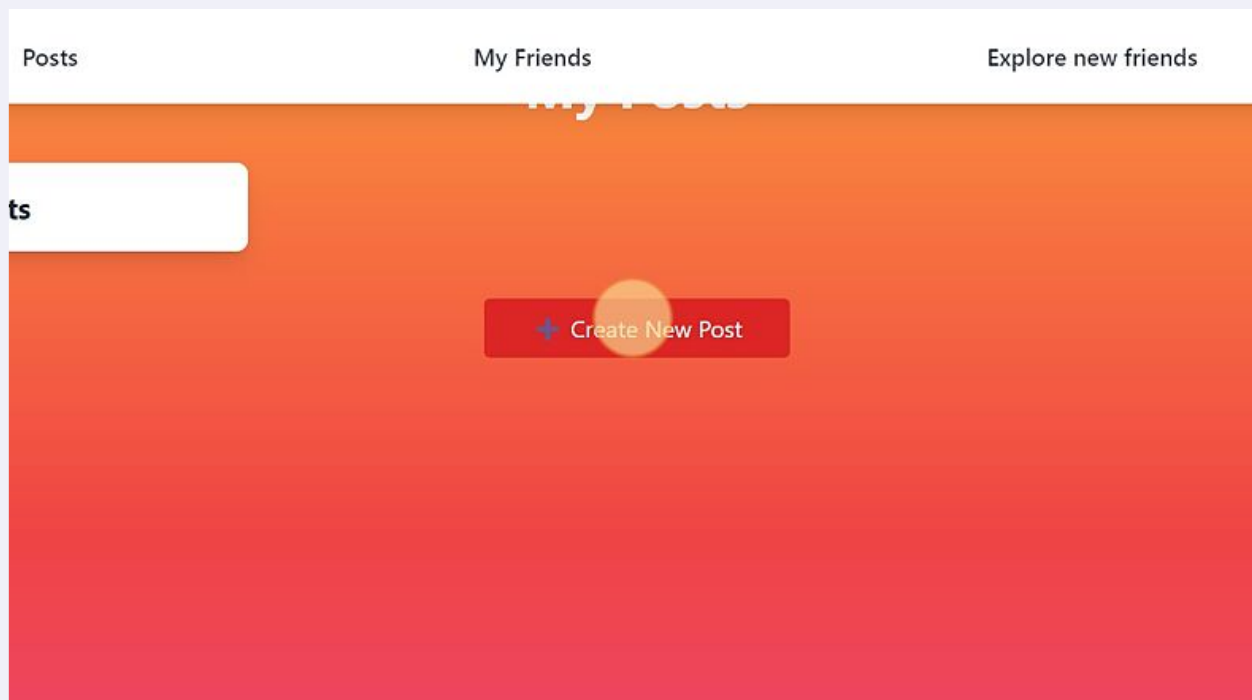

12 Click "Login"

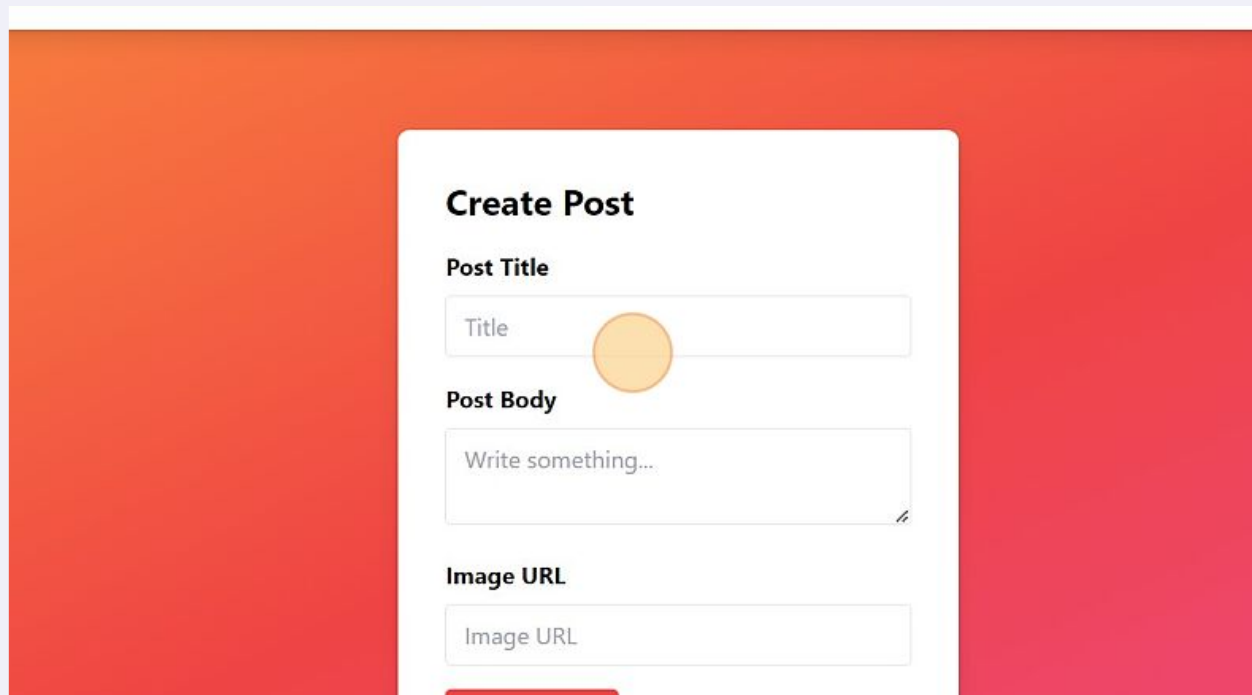

13 Click "My Posts"

14 Click "📄 Create New Post"

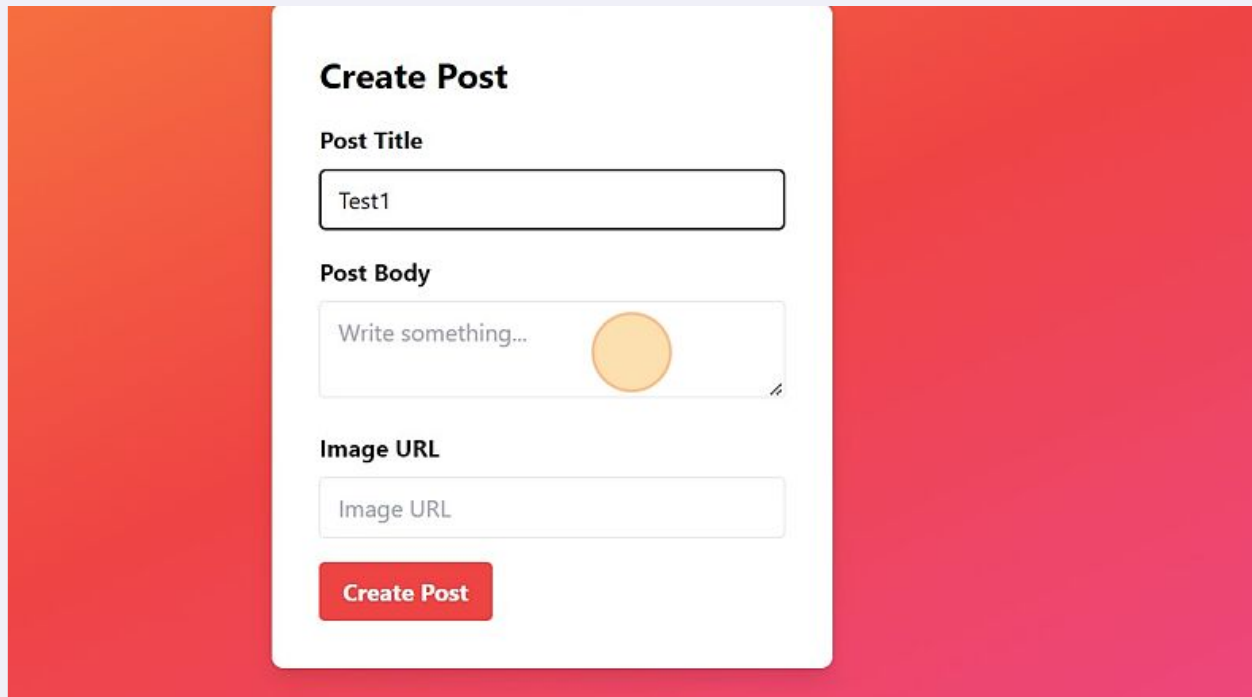

15 Click the "Post Title" field.

16 Type "Test1"

17 Click the "Post Body" field.

The screenshot shows a 'Create Post' form centered on a red gradient background. The form is white with a thin grey border. It contains three input fields and a submit button. The first field, 'Post Title', has 'Test1' entered. The second field, 'Post Body', is empty and has a yellow circular icon to its right. The third field, 'Image URL', is empty. A red 'Create Post' button is at the bottom.

18 Type "test1 test 1test one"

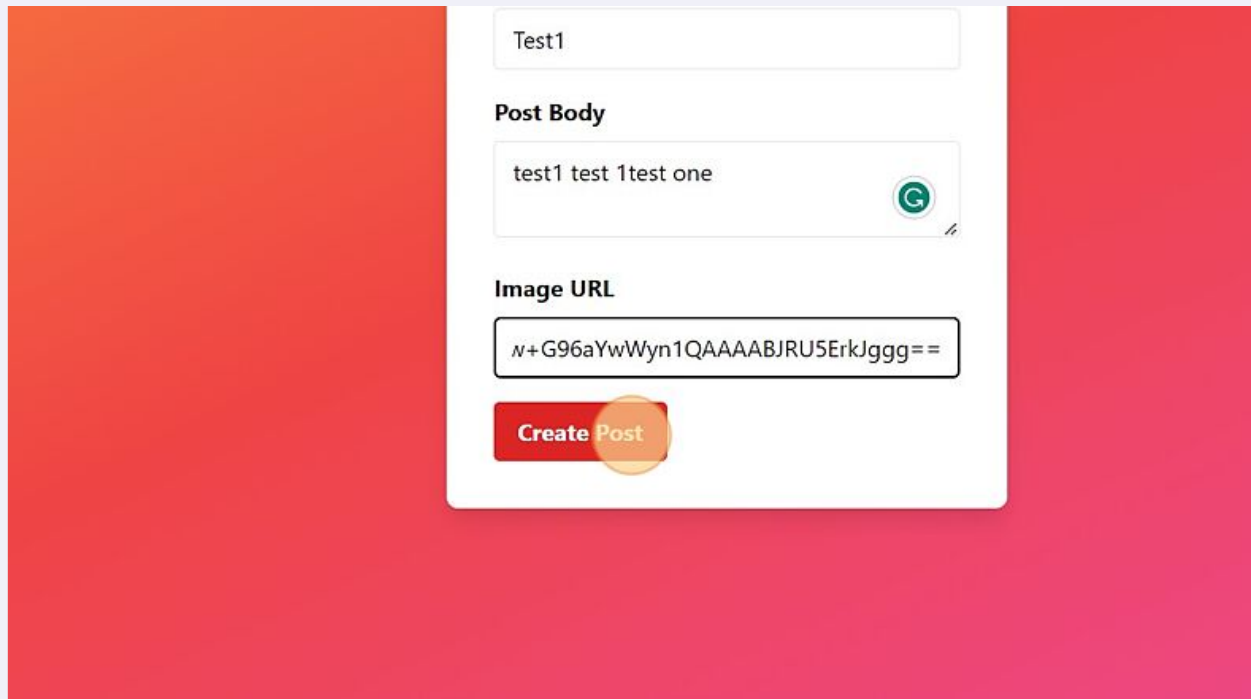

19 Click the "Image URL" field.

The screenshot shows a post creation interface. At the top is a text input field containing "Test1". Below it is a section labeled "Post Body" with a text area containing "test1 test 1test one" and a green circular icon with a white 'G'. Underneath is a section labeled "Image URL" with a text input field containing "Image URL". A yellow circle is drawn over the "Image URL" text input field. At the bottom of the form is a red button labeled "Create Post". The entire form is set against a background with a red-to-pink gradient.

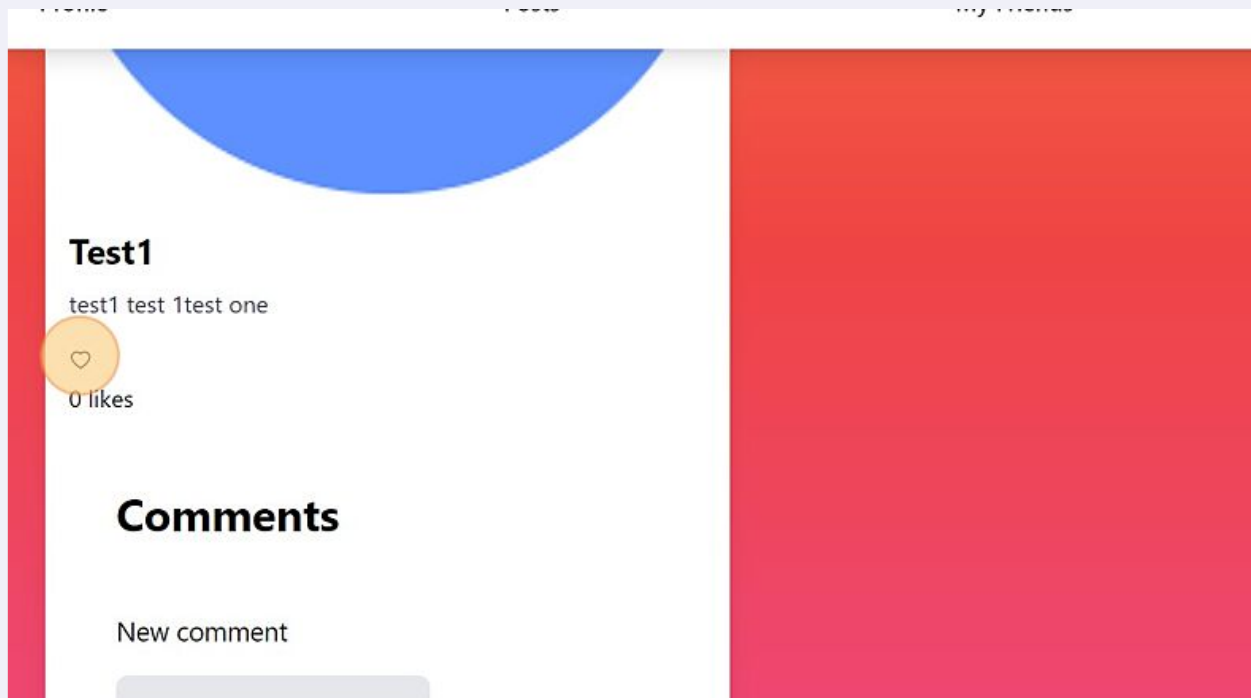

20 Press **CTRL + V**

21 Click "Create Post"

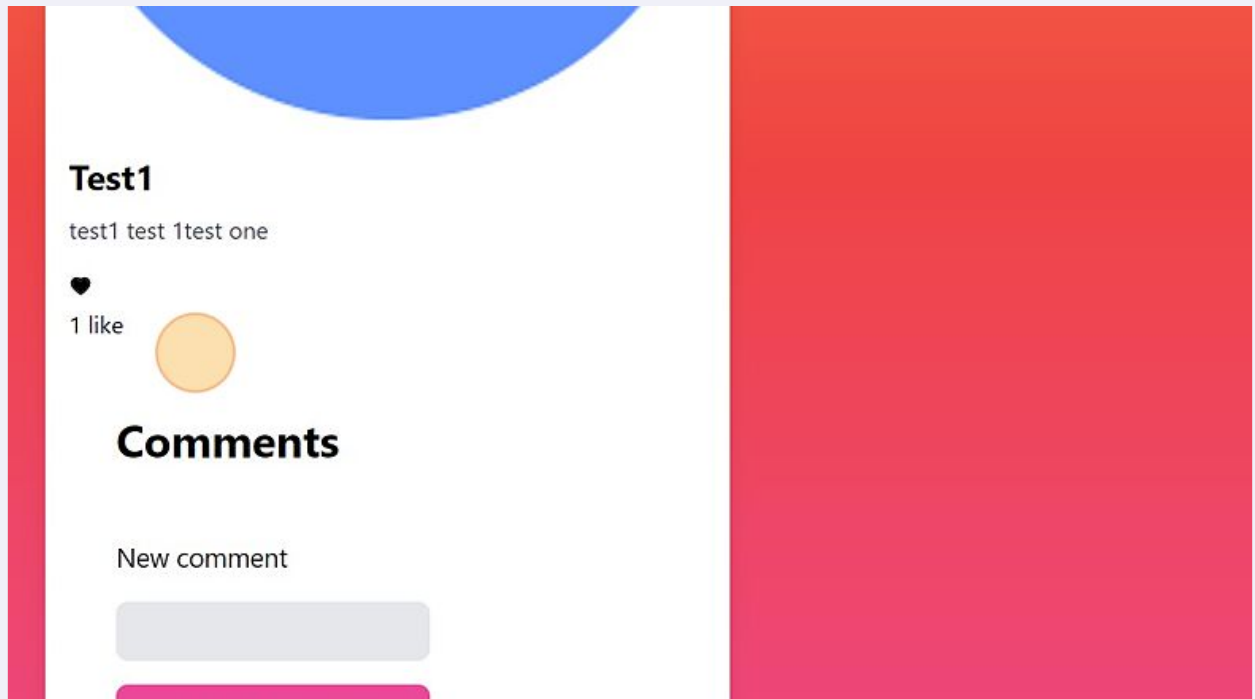

A screenshot of a social media post creation interface. The form is white and centered on a red-to-pink gradient background. It contains three input fields: a title field with the text "Test1", a post body field with the text "test1 test 1test one" and a green circular icon with a 'G' to its right, and an image URL field with the text "n+G96aYwWyn1QAAAABJRUSerkJggg==". Below the input fields is a red button with the text "Create Post" in white. The button has a yellow circular highlight around it.

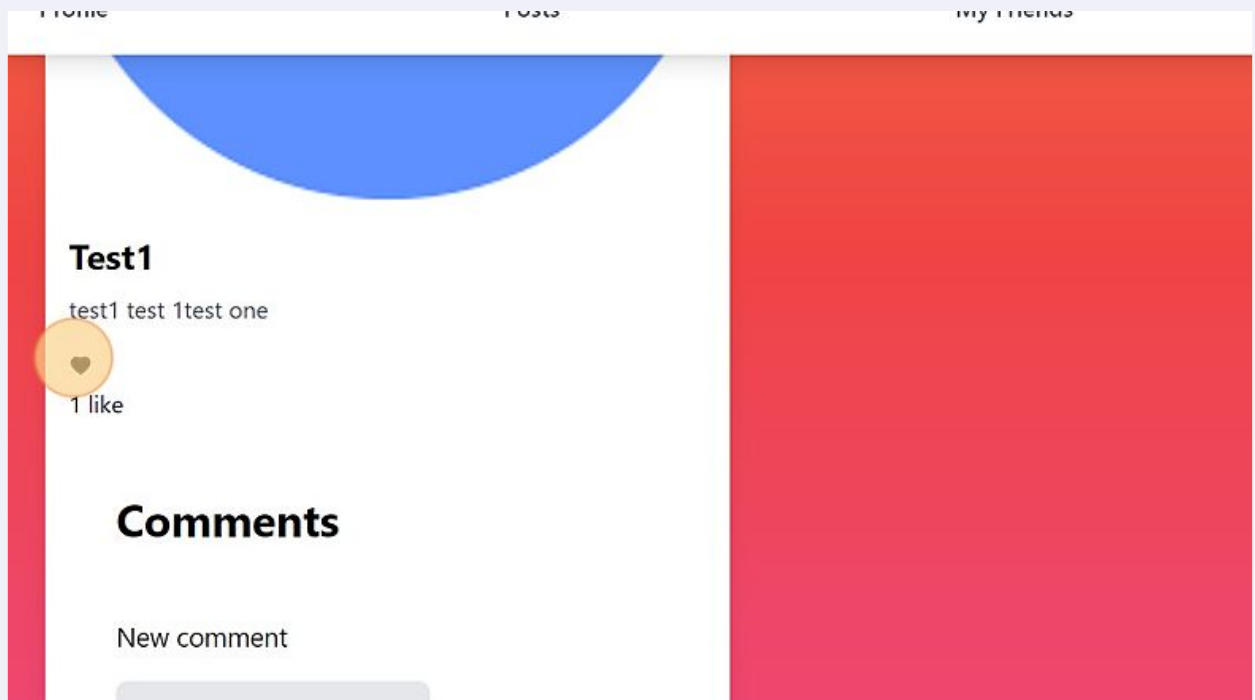

22 Click this icon.

24 Click here.

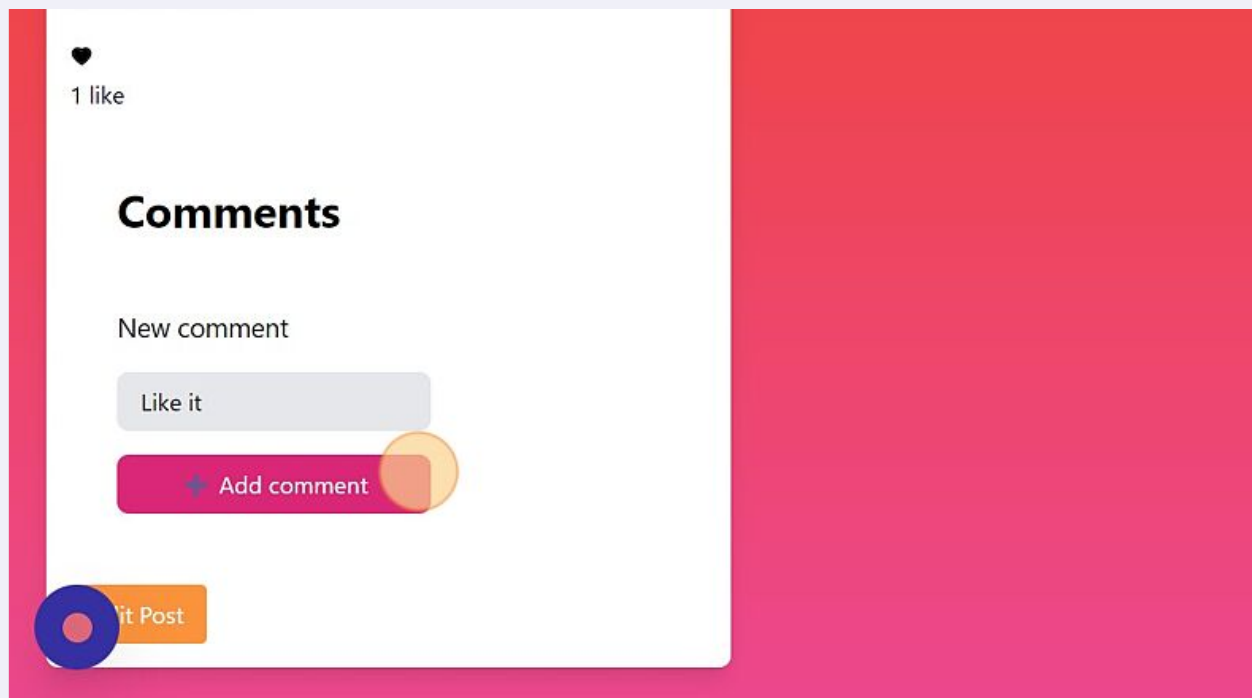

25 Click this text field.

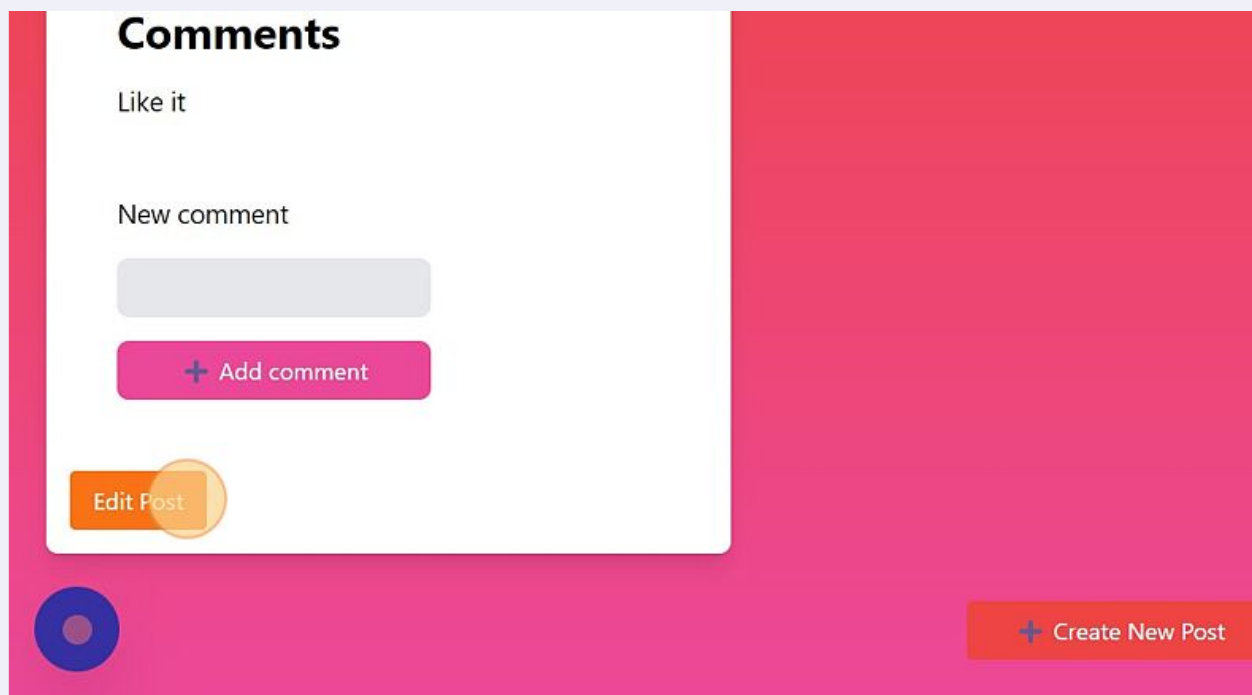

26 Type "Like it"

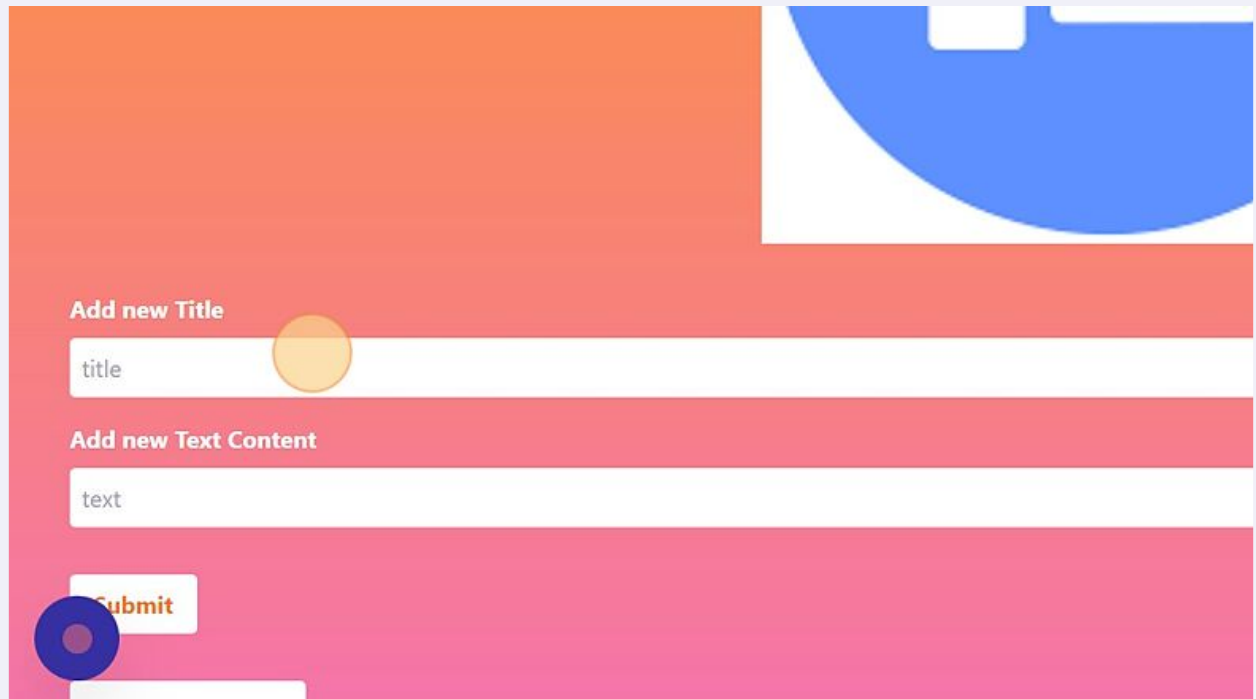

27 Click "+ Add comment"

28 Click "Edit Post"

29 Click the "title" field.

The screenshot shows a form interface with a light blue header. Below the header, there is a large orange rectangular area. To the right of this area, a portion of a blue circular logo is visible. Below the orange area, there is a section with a light blue background. This section contains the text "Add new Title" in bold. Below this text is a white input field with the placeholder text "title". An orange circle is positioned over the "title" input field. Below the input field, there is another section with a light blue background containing the text "Add new Text Content" in bold. Below this text is a white input field with the placeholder text "text". At the bottom left of the form, there is a blue circular button with a white "Submit" label. A blue circle is positioned over the "Submit" button.

31

Click "Add new Title
Add new Text Content
Submit"

The screenshot shows a form with a light orange background. At the top right, there is a blue circular graphic. The form contains three main sections, each with a label and a text input field. The first section is labeled 'Add new Title' and contains the text 'Like 1'. The second section is labeled 'Add new Text Content' and contains the text 'text'. The third section is labeled 'Submit' and contains a button. Below the 'Submit' button is a link labeled 'Back to my posts'. The 'Add new Title' and 'Add new Text Content' labels are highlighted with orange circles, and the 'Submit' button is highlighted with a blue circle.

32

Click the "text" field.

This screenshot is identical to the one in step 31, showing the same form with the 'Add new Title', 'Add new Text Content', and 'Submit' sections. However, in this step, the 'text' field in the 'Add new Text Content' section is highlighted with an orange circle, indicating the target for the next action.
